A Senior Product Designer with 6 years of experience designing digital solutions for mobile, web, and print. Proficient in Figma, Photoshop, After Effects, user research, prototyping, and design systems. Teachable and passionate about learning new trends.

EXPERIENCE

Founding Designer

Galsie | Nov 2021 – Sept 2025

- Defined the company's design system as the Founding Product Designer, partnering with the CEO to define product strategy, design vision, and workflows.
- Led the end-to-end design of 2 MVP products, delivering user-centered experiences that supported early customer onboarding.
- Designed reusable components, variants, and prototype models that enabled the team to ship with consistency quickly.
- Collaborated closely with the engineering team to maintain a seamless design-to-development workflow.

Product Designer

Takeoff | Jan 2021 – Oct 2021

- Participated in multiple design sprints.
- Designed wireframes and interactive prototypes.
- Collaborated closely with a team of designers, meeting daily deliverables by exploring multiple design ideas.
- Carried out user A/B testing for the rider part of the app.

UX Engineer

Clearwox | Aug 2019 – Dec 2020

- Onboarded customer store teams and optimized product adoption through hands-on user support and training.
- Acted as the primary link between customers and the product team, ensuring issues were resolved efficiently.

TOOLS

- Adobe Photoshop
- Adobe After Effects
- Figma
- CSS/HTML
